TEACHER OF THE YEAR

Mr. Aaron B. Lively was selected Teacher of the Year for 1983-84. This is a honorable award. It was chosen at the beginning of the year by the teachers and it shows how well-liked and respected he is by his fellow workers. Mr. Lively has tremendous leadership qualities and he executes them everyday. He teaches Spanish, Government and Psychology. Out of his twenty-nine years of teaching, he has taught at Crawford County for ten of them. Mr. Lively attended Mercer University, Pennsylvania and the University of Georgia. He devoted himself to the school chorus for the first three years of teaching at Crawford County. He continues to be active in music, having served as Director of Music in several churches. At the present time, he is serving as a church organist in Thomaston. Mr. Lively is originally from Augusta, Georgia and makes his home in Thomaston. All of the students think highly of him and love him. Congratulations Mr. Lively.

DEDICATION

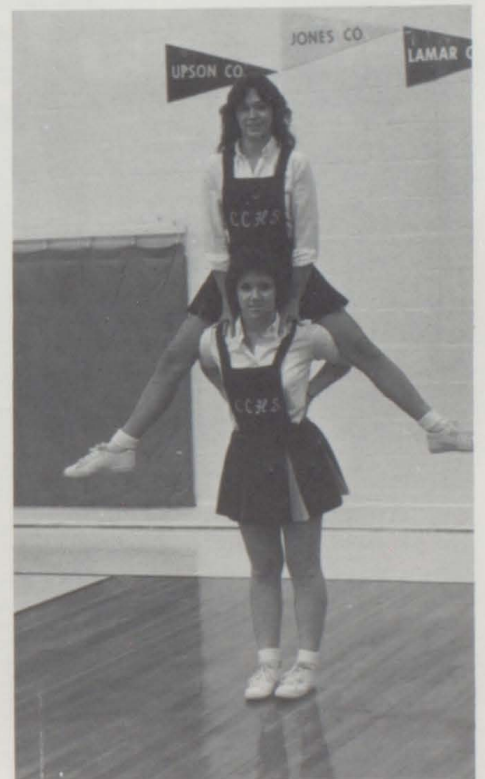

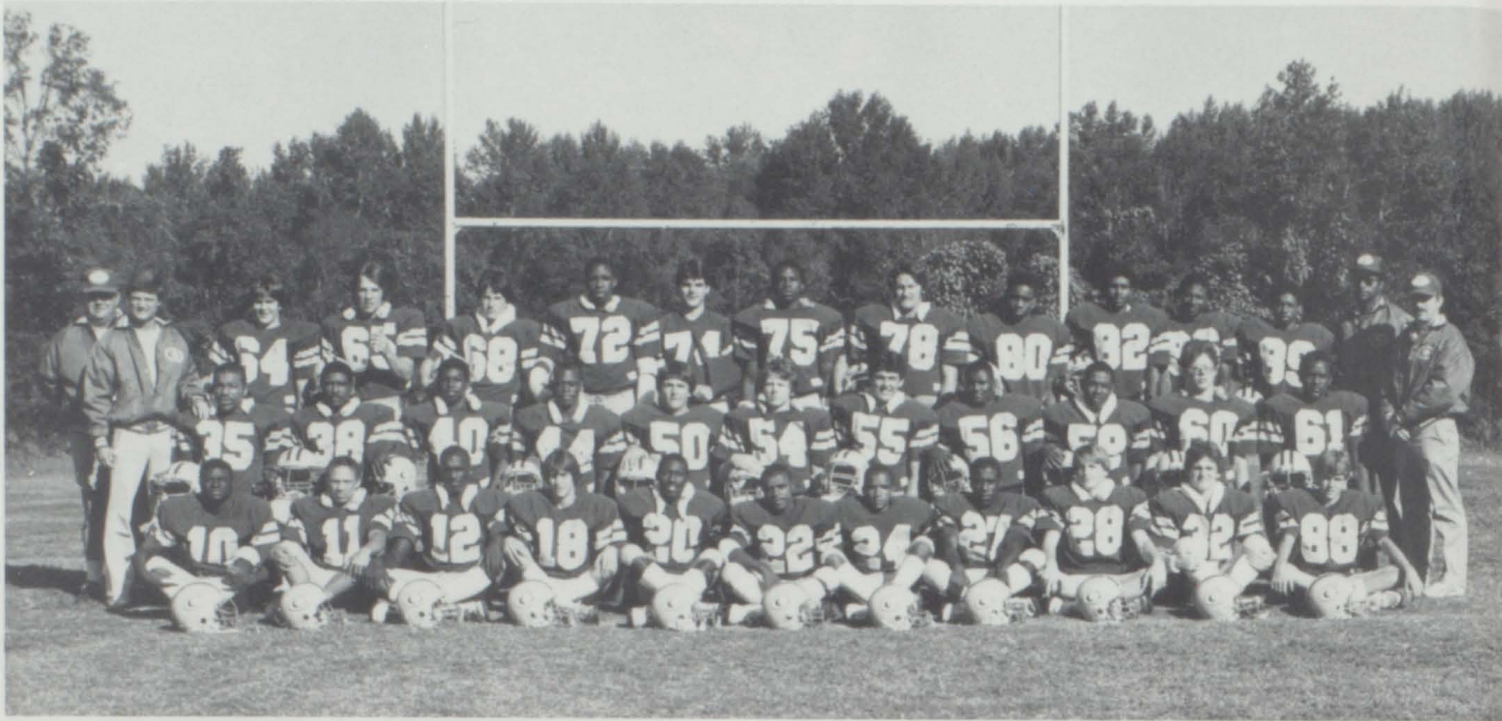

Minna West was born in Ashville, North Carolina a while back. She was educated in Alabama and received a B.S. Degree from Sanford University and a Masters in Physical Education from the University of Alabama. She received her Education Specialists from Georgia College in Milledgeville. She moved with her family to Roberta in 1975 when she began teaching in our school system. We all know she was our P.E. teacher until she moved into the classroom this year to handle the CVAE program. Mrs. West is easy to talk with and stands ready to help every student in every way she can. Our hats are off to Mrs. West for her dedication to the Crawford County community, especially to her young citizens. From the students of Crawford County High School; We Love You! For your love and concern for us we dedicate this the 1983-84 ECHO to you, one of the greatest "Eagle Fans."

SUPERINTENDENT'S MESSAGE

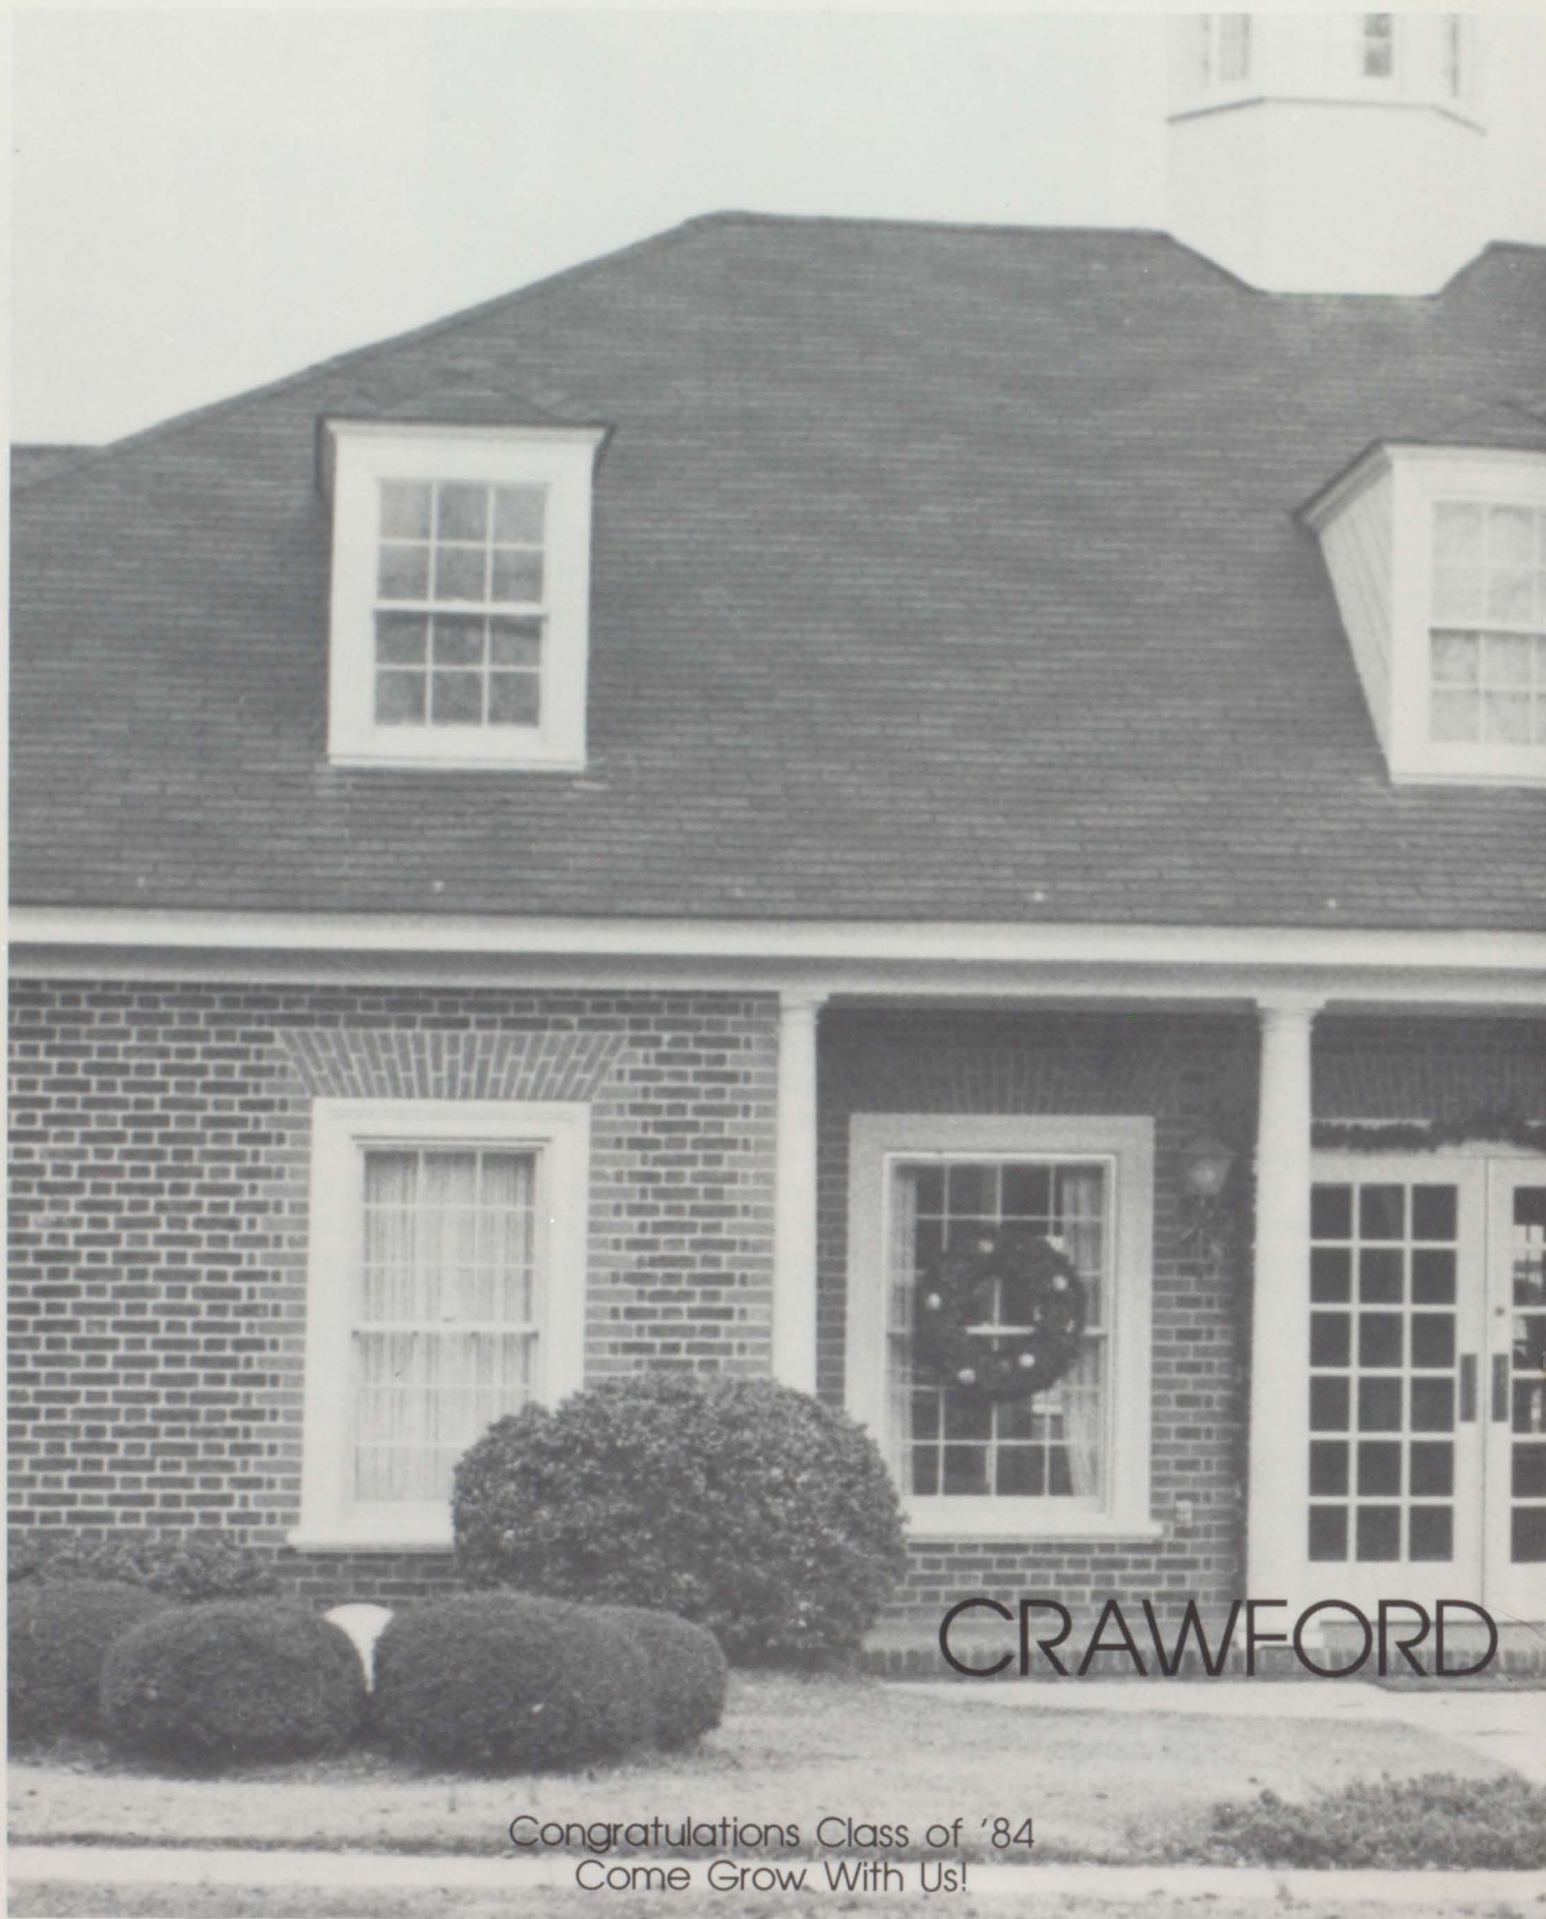

Each school year starts with a blank page. We hope you have filled those blank pages this year with increased knowledge, increased confidence, a greater respect for yourself and your fellow human beings, and with a lot of happy memories. We walk this way only one time and it behooves each of us to make the most of each hour and each day.

Some of you will be leaving C.C.C.H.S. at the end of this year. We wish for you a sense of confidence, pride, peace and fulfillment as you go forward to your next step in life. We hope we have helped you prepare adequately for that step so that it is a small one and not one that is insurmountable.

For those of you returning next year, remember you are starting again with a blank page. Work diligently to fill it with worthwhile things and take time to have some fun along the way — just get your priorities in order. There is a time for serious work and a time for fun. Neither needs to be neglected but neither needs to be exclusive of the other. A happy fulfilled life is one that is in balance.

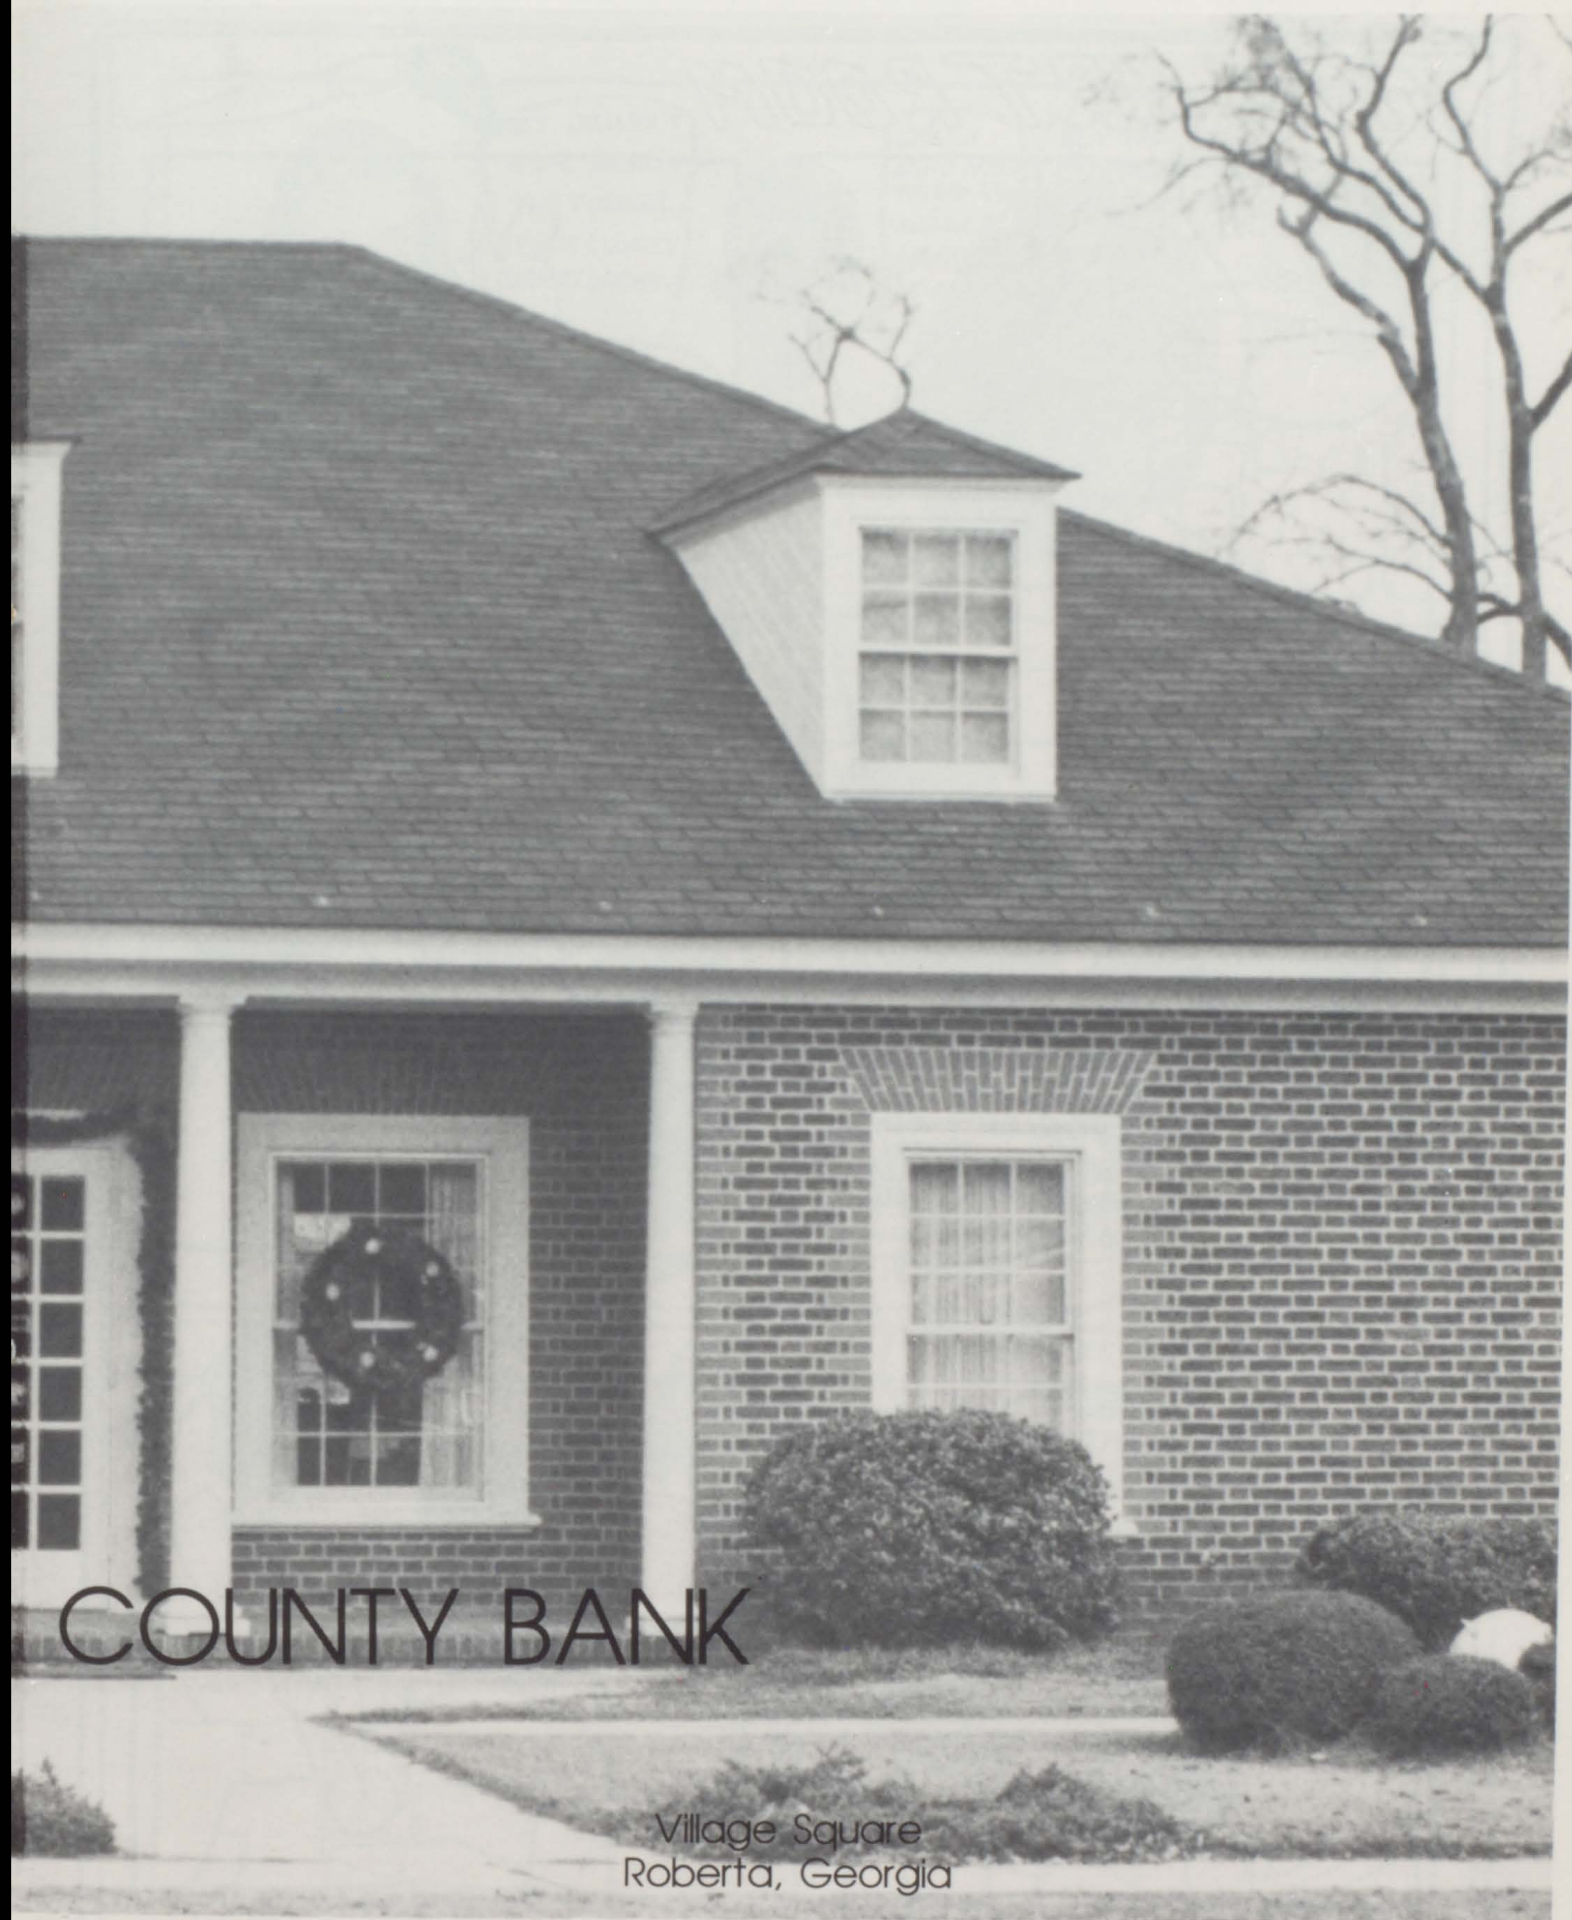

Good luck to you as we close out 1983-1984 1984-1985. and get ready for .
